The List of False Prophets

2012 – The Mayan Prophecy

No end of the world on Dec 21 2012 or Dec 23 2012.

2010 – Baba Vanga? Or not … (Arab Spring started in 2010)!

According to the Prophecies of Baba Vanga, World War III would start in November 2010. Nothing happened in the month of November 2010 but just one month after in December 2010 the Middle East and North Africa "unrest" started in Tunisia creating a domino effect allover North Africa and the Middle East. In Egypt Mubarak was removed and the war against Libya started. I warned people to watch out for Ghaddafi since 2 years, you don't have to be a prophet to see the dude is crazy. The strange thing is that Edgar Cayce, the "sleeping prophet" predicted that the Third World War would start in the area of Libya, Egypt and the Davis Strait so i would put the label of "false prophet" on Baba Vanga yet, lets see where this goes.

2009 – Alexei Fud

Alexey Fud predicted that the USA would be attacked with nuclear weapons in the second half of the year 2009, it was a "breaktrough prophecy" early 2009, it did not happen, you may want to read more about the russian (false) prophet Alexei Fud on this website.

2009 – Ronald Weinland

According to Ronald Weinland, the 7th seal opened around mid-2008 and by the End of the year 2008 the United States of America, Canada and a few Western European Allies would be destroyed. There would be a nuclear explosion, nothing happened yet ! He was wright about the economic colapse, this happened in September 2008. So it could be that the prophecies are delayed.

2008 – Blossom Goodchild

According to Blossom Goodchild (The Federation of Light), aliens would land on earth in the Month of October 2008, they have not arrived yet … Or did they ?

2004 – Arnie Stanton

Arnie Stanton noted on 1997-SEP-16 that that evening was the fourth Jewish festival since 1996-APR-3 on which a lunar eclipse occurred. He quotes Luke 21:25-26 which mentions "signs in the sun, in the moon and in the stars and on the earth distress of nations, he believes that these recent lunar eclipses are the last known stronomical signs that will preceed a 7 year (360 day/year) countdown to armageddon/Christ's return to the Earth. He expects that Christ's return will occur within a few months of 2004-SEP-29 when Asteroid Toutatis will make a very close approach to the Earth.

2001 – Charles Spiegel

Charles Spiegel, a retired psychology professor, preaches from a small town near San Diego CA that the ancient land of Atlantis will emerge from the Caribbean circa 2001 CE. Shortly thereafter, 1000 extra-terrestrials from "Myton" in 33 spaceships will land there and bring new knowledge to humanity.

Jack Van Impe Ministries sponsors the largest Evangelical Christian program devoted to end-time prophecy. In his home page, he discusses his book “On the Edge of Eternity” in which he predicts that the year 2001 will usher in international chaos such as we’ve never seen in our history. He predicts that in 2001, and the years following, the world will experience drought, war, malaria, and hunger afflicting entire populations throughout the African continent. By the year 2001, there will be global chaos. Islam will become much larger than Christianity. This would take a sudden growth spurt; Islam is currently (in 2000) followed by 19% of the world’s population vs 33% for Christianity). A one-world church will emerge; it will be controlled by demonic hosts. Temple rituals (presumably including animal sacrifice) will resume in Israel.

2001 – Sun Magazine

Sun Magazine reported in its 1997-OCT-14 issue that Noah’s Ark has been discovered intact in undamaged form on a slope near Mount Ararat in Turkey. Inside were a group of 6 copper-gold-silver scrolls, each 12″ square. Scroll 2 reveals that the sun will superheat the earth, melting both polar ice caps, and creating a world-wide flood. Scroll 3 reveals that Doomsday is set for 2001. Good people who repent of their sins will be saved; cruel tyrants will be cast into the burning fires of Hell.

2000 – Pope John XXIII

Pope John XXIII predicted in 1962 that Christ would appear in the sky over New York City. He will announce the creation of a 1000-year paradise, to be proceeded by six months of great sorrow.

2000 – Group of People

The Great Conjunction of Jupiter and Saturn in front of Taurus and the coming back of the Star of Bethlehem like 7.B.C. Some people expect a supernatural event comparable to the birth of Jesus.

2000 – Dan Millar

Dan Millar estimates this date as that of the Second Coming of Jesus Christ. Four events happen on that day, a Thursday. The sidereal day is reset. It is also the Jewish New Year, using the Canaanite calendar that was in use within ancient Israel prior to the Babylonian Captivity. It is the time of the Jewish “Feast of Jubilees” according to a message given by the Virgin Mary to Father Stefan Gobbi. This feast occurs only once every fifty years. This date is also the Autumn Equinox.

2000 – Captured Alien

According to Weekly World News of 1997-NOV-18, the CIA has caught a space alien who had crash-landed on JUN-20 in a New Mexico desert. He is from a species that is considerably more developed, both mentally and spiritually, than mankind. He is only survivor of the destruction of his world – a planet some 200 light years from Earth. He reports that God is “furious with his creations everywhere”. Apparently none of the species that he created turned out at all well. So, god is systematically working his way across the galaxies, setting fires to the planets and exploding them one by one. Earth will be next!

2000 – William Cooper

William Cooper, head of a militia group in St. John’s AZ, predicted that on this date the secret chambers of the Pyramid at Giza will be opened. Its secrets will be revealed and Satan will become a public figure. The American militia will engage in a massive war at this time. This, and the previous prediction, are the only two that we have been able to find which agree on the same day. Of course, it is an obvious date to select, because most people believe that the next millennium begins then. It doesn’t; it starts one year later on 2001-JAN-1.

2000 – Pope John XXIII

Pope John XXIII predicted in 1961 that Doomsday will begin with the detonation of an atomic bomb in a major European city by a Libyan terrorist group. This will trigger a massive six-month war that will cause the deaths of millions of people.

1999 – Dotson Meade

Bible expert Dotson Meade predicts that something will happen that brings about the war which will end the world as we know it. There will be a vicious cycle of storms and earthquakes that lead to the final battle the world has awaited.” This date was derived from information in the Dead Sea Scrolls. 2000 : Michael Drosnin, author of “The Bible Code,” found a hidden message in the Pentateuch (the first five books in the Bible) that predicts that World War III, involving a worldwide atomic [sic] holocaust, will start in 2000 (or

Hon-Ming Chen has founded God’s Salvation Church in Texas. The group believes that a nuclear war will destroy parts of Earth in 1999. They have identified a nine-year old boy as the “Jesus of the East”, a reincarnation of Jesus Christ. They believe that if they can link him up with the “Jesus of the West” then 100 million lives will be spared. The second Jesus is supposed to live in Vancouver BC, look like Abraham Lincoln, and have been born in late 1969. Their search was unsuccessful.

1999 – Calendersign website

The website Calendersign lists a number of astronomical events that will happen as the millennium closes. There has always been an association between such alignments and momentous events in the mind of the public. Starting in late 1999, the following will be observed: – Total solar eclipse; visible from Europe on 11th August 1999. – Total lunar eclipse; visible in Europe and US on 21th January 200 – Triple planetary conjunction Mars, Jupiter & Saturn in April 2000 – Great Conjunction of Jupiter and Saturn in May 2000. This also occurred in 7 BCE and is thought by some to be the star that some of the Gospels mentioned as leading the three wise men to Jesus.

1998 – Church of the Subgenius

The Church of the Subgenius predicts that on “X Day”, the end of the world will occur. At that time, “the Men from Planet X, or XISTS, will arrive on Earth, close a deal with “Bob”, rupture the card-carrying Ordained SubGenii up to the Escape Vessels of the Sex Goddesses, and destroy the remaining population of Earth, very very slowly. Bob is J.R. Dobbs, leader and High Epopt of the Church of the SubGenius, Living Avatar of Slack, the Saint of Sales. He was responsible for founding the Church on a shifting, sandy beach of hypocrisy.

1998 – House of Yahweh

1998 – Taiwanese Christian-Buddhist Spiritual Sect

About 150 followers of a Taiwanese Christian-Buddhist spiritual sect have moved into Garland TX (a suburb in northern Dallas) to await God’s arrival. On 25 th March, God is expected to broadcast a commercial on Channel 18 in Garland. He will then be reincarnated into a man on MAR-31 at 10:00 AM, local time. They expect to draw a crowd of about one million who want to be touched by God. Their leader, Hoh-Ming Chen, selected Garland because it sounds like “God land”. News reports from Taiwan indicated that the group plans to commit mass suicide if God does not appear. These appear to be unfounded.

1998 – Edgar Cayce

Edgar Cayce predicted that the earth would have a new pole during the winter of The year 1998. Since the earth spins like a gyroscope, this would take an enormous amount of energy to achieve. That amount of energy would cause a massive disruption to the oceans and the earth’s crust. That could, in turn, cause very serious, worldwide tidal waves, earthquakes and volcanic eruptions.

The famous psychic Edgar Cayce predicted that a secret, underground chamber would be discovered between the paws of the Great Sphinx. Crops will fail; there will be massive starvation – Widespread emotional and mental collapse; increase in crime and violence – Changing weather patterns; basic laws of nature will be disrupted – Satanic demons will appear in broad daylight. War, pestilence, a worldwide plague – Mankind will disappear around the year 2001 CE.

1997 – Vladimir Sobolyov

Russian scientist Vladimir Sobolyovhas of the Rerikh Academy has analyzed Prophesies made by Russian saints, by Nostradamus etc. He announced his conclusions in 1997 September that the earth's axis will suddenly tilt about 30 degrees sometime during the next two years. This will submerge the Scandinavian countries and Britain under water, in what is termed the Armageddon Flood. Siberia will be spared. He expects that aliens will intervene and lead the world into the fourth dimension. Right now, these aliens are on earth, but in hiding. Sobolyovhas said: If we completely believed in them, we would get lazy. So they are clever. They stay hidden in the fourth dimension and only show themselves from time to time.

1997 – Weekly World News

The 29th July issue of the Weekly World News reported that the biggest end of the World scare since the Cuban missile crisis was circulating through Washington. President Clinton called a secret meeting with leading Bible scholars for the week of 27 th July. The Sacerdotal Knights of National Security report that a space alien captured at a UFO landing site in eastern Missouri cracked under interrogation by the CIA and admitted that an extraterrestrial army will attack Earth on November 27 with the express purpose of stripping our planet of every natural resource they can find a use for and making slaves of every man, woman and child in the world!

This is a small piece of real estate that is the most sacred spot in the world to Jews, and one of the most sacred to Muslims. The Rapture Ready home page has predicted that the "Tribulation" would be triggered by that event. Previous attempts had failed either because of riots, or police action. There was one report that they were going to try to airlift the stone by helicopter this time. On October 20th, several thousand police officers were deployed throughout Jerusalem; they successfully prevented access to the Temple Mount.

arrival of the Antichrist, return of Christ, etc. Ancient prophecies told of heavenly events and even a cross in the sky in advance of momentous developments. Millar and Wadsworth have predicted the arrival of the Antichrist on April 10th. Dan suggested that we watch news from the Vatican and from Jerusalem on that day, because he expects some sort of coup by the Antichrist. He is expected to come to power in the Vatican as Pope Peter II. One heavenly indicator is the intersection by two comets of the star Algol in the constellation Perseus. Comets Hyakutake and Hale-Bopp intersected the star on the same date (April 11) on two adjacent years (Hyakutake in 1996 and Hale-Bopp in 1997). Plotting the two comets' trajectories over the period April 1th to April 30th on the two years forms an almost perfect cross. They intersect between the eyes of the Medusa head that Perseus is holding in his left hand. "Algol" means "Demon Star" in Arabic. The head is known as Rosh Satan (the head of Satan) in Hebrew. There will be one further heavenly sign: on the evening of April 10th, there will be a lunar occultation of the star Aldebaran in the constellation Taurus.

1997 – Vortex of the Star of David Religious Sect

The Vortex of the Star of David religious sect of Luskville, Quebec was quoted as predicting the end of the world on Saturday, March 8th. A father, Jean Leon Marcoux, was interviewed; he was worried because his children will be visiting their mother at the sect's commune on that weekend. He approached the Quebec police but was unable to get them to take any action. A spokesperson for the sect stated that they do not have a doomsday scenario.

1996 – James Ussher

Since 1658, many Christians have accepted the calculations of James Ussher, an Irish archbishop, who estimated that the first day of creation occurred on 4004-OCT-23 BCE. This would make the time interval between the creation of the world and a common estimate of the birth of Christ to be precisely 4000 years. Some people believe that Ussher fudged the data to make it come out neatly. He also estimated that the end of the world would occur exactly 6000 years later, in the fall of 1996.

1996 – Dorrance Publishing

The book "The Return of Jupiter: End of the world in the light of the Bible" Dorrance Publishing, Pittsburgh PA predicted a disaster starting in the Pacific Ocean : "A terrible earthquake is going to break the oceanic earth crust under the Pacific Ocean by the year 1996 AD

1992 – David Koresh of the Branch Davidian Group

David Koresh of the Branch Davidian group in Waco Texas changed the name of their commune from Mt. Carmel to Ranch Apocalypse, because of his belief that the Final all-encompassing battle of Armageddon mentioned in the Bible would start at the Branch Davidian compound. They had calculated that the end would occur in 1995. After a 51-day standoff, on April 10th 1993 76 members died as a result of a deliberately set fire.

1986 – David Berg AKA Moses David

David Berg, AKA Moses David comes back with a new prophecy : In 1986 the USSR would attack Israel and the US and they will win, the world would become a Communist dictatorship and … Christ would return to earth in 1993 ! Russia, the former USSR is still a big treath to the Western world, in August 2008 the Bear became alive again by attacking Georgia, in 1993 the first attack on WTC happened.

1983 – Bhagwan Shree Rajneesh and Guru of the Rajneesh

Bhagwan Shree Rajneesh, Guru of the Rajneesh movement predicted a massive destruction on earth, including natural disasters and man-made catastrophes.Floods larger than any since Noah, extreme earthquakes, very destructive volcano eruptions, nuclear wars etc. will be experienced. Tokyo, New York, San Francisco, Los Angeles, Bombay will all disappear. Again this cannot be called a false prophet because all the things that Bhagwan predicted Can still come true …

1970 – David Berg AKA Moses David

David Berg, the founder of "the children of God" predicted that a comet would hit the earth, probably in the mid-70's and that it would destroy the United States of America. Weird thing is that in the prophecies of Nostradamus and in the Revelations there are signs of a comet hitting the earth … Also Ronald Weinland writes about the destruction of the United States, soon after the opening of the 7th seal (that would be opened last year in 2008, but okay … So maybe David Bergs prophecy will still come true.
